

ANGEL Accessibility Features

ANGEL meets the requirements of Section 508 of the United States Rehabilitation Act. ANGEL includes an Accessibility Wizard that you can use to create profiles to meet your personal needs and also supports the Accessibility for Learner Information Packages (ACCLIP) specification, which allows you to import existing accessibility profiles from other systems into your ANGEL account.

To utilize ANGEL's accessibility features, click the **508 Accessibility** icon located in the lower left corner of the home page. From the **Accessibility Menu**, you can either create a profile or add a profile to ANGEL by uploading ACCLIP files.

A screenshot of the 'Accessibility Menu' interface. The menu is titled 'Accessibility Menu' and is divided into two main sections. The left section is titled 'Active Profile' and contains the text 'No profile is currently active.' Below this section is a blue link labeled 'Return to Site'. The right section is titled 'Create a Profile' and contains a form with a 'Profile Name' input field and a 'Submit' button. Below this is another section titled 'Upload a Profile' which contains a 'Profile Name' input field, an 'ACCLIP File' input field with a 'Browse...' button, and a 'Submit' button.

Students with Disabilities

Spokane Community College complies with the Americans with Disabilities Act, Section 504 of the Rehabilitation Act, and other relevant state and federal laws in providing services and accommodations to students with disabilities. We recognize our obligation to provide equal access and reasonable accommodations to students who are otherwise qualified to participate in our programs. It is your responsibility to self-identify and request accommodations. For more information about available services, follow this link to the office for [Disability Support Services](#) or call (509) 533-7169.
