ALL FINANCIAL AID RECIPIENTS

I understand that I must be enrolled in an eligible program leading to a degree or certificate.

I understand that I must make satisfactory academic progress (as defined by this institution) toward completion of my college degree or vocational certificate in order to remain eligible for any aid.

I understand that I must be a high school graduate or have earned a GED before I am eligible to receive financial aid.

I understand payment of financial aid is based, in part, on the number of credits for which I am enrolled in. If I drop a class or a class is cancelled after the release of financial aid funds, my financial aid award will be recalculated at the lower enrollment level. After the recalculation I will be required to repay the amount of financial aid that I was not entitled to receive. Please contact the Financial Aid Department for more details.

If I withdraw from classes before 60% point of time in any quarter (officially or unofficially) repayment of all or a part of the grant(s) may be required.

I agree that Spokane Community College, on behalf of the U.S Department of Education and the Washington State Higher Education Coordinating Board (HECB) reserves the right to reduce any aid awarded.

I authorize Spokane Community College’s use of Federal Title IV or State funded financial aid to pay any tuition, fees and parking permits associated with my registration for any academic term covered by this award. I further understand that I may end this authorization at any time by notifying the Financial Aid Office in writing.

I authorize Spokane Community College’s use of Title IV funds to pay for any Tuition I incur during this academic year. I understand this payment method is voluntary and may be rescinded by myself at any time.

STATE NEED GRANT APPLICANTS

I understand that when I am able, I can voluntarily make financial contributions to the Higher Education Coordinating Board (HECB) in recognition of any STATE NEED GRANT, and that my gift will be used to provide financial assistance to other students.

I am not pursuing a degree in theology.

I do not owe a repayment on a prior State Need Grant at any school.
