Officer Reports

3:12 p.m. – Michael Watson

Michael Watson, Associated Student Council President

I ordered t-shirts for SASQUAD. I went to the Legislative Academy in Olympia, where I met with Senator Derrick Kilmore, and Secretary of State Sam Reed. I did my report and agenda. I hung posters for the Dig Pink night. I wrote my lyrics. I met with Terri about video. I met with Don about proposals. I met with Brenda. I signed the table. I met with Jason and then went to Trick or Treat Trivia. I went to Naso and SASQUAD meetings.

Tami Windhorst, Associated Student Council Vice-President

Hello everyone, my name is Tami Windhorst and I'm your student body Vice President. This past week I attended the Parking Force Task Force Meeting as Michael's replacement. We discussed the growing problem with parking and brainstormed on new ideas in which we could alleviate the problem. Some items that were discussed are; the elimination of events on campus which take place during the peak hours of parking 8:00 a.m. through 12:00 p.m. Security is allowing parking on one half of Rebecca, as well as eliminating some previous yellow parking spots. We discussed the vacant lot on the south side of Mission as a possible solution and I was told that lot was contaminated and the cost to clean that up would be too large. We also discussed carpooling and park/ride as potential solutions to the problem. I had a one on one meeting with Michael and another with Michael and Alison. I also prepared some paperwork for our new Senator Levi Hanson. I'm working with Ali to plan a student government meet/greet with faculty, administration, staff and students sometime in November. Thank You!!

Brenda Crosby, Student Activities Council Chairperson

Jorge H. Guerrero, Associated Student Council Director of Administrative Services

Greetings! This week I worked on the minute report for SAC and ASC meetings; I updated the club attendance sheet. I attended meetings for Rho Beta Psi, LASO, NASO, and Veteran's Club.

Matt Kaczmar, Associated Student Council, Director of Student and Club Affairs

This week I've been working on getting a hold of Rob Vogel about setting up a quarterly report for the ASG in the school paper, reviewing a lot of club charters and constitutions that we're submitted to me, reviewing new club constitutions and I turned in my lyrics to Terri for the promo video she is doing for ASG.

Krishen Talarico, Associated Student Council Director of Legislation

This week I attended the District Finance and Legislative Committee meeting, the SASQUAD comic book club meeting, Fit Club meetings, set up a voter information booth in the Lair, went to Olympia for the Legislative Academy, signed the old conference table, ordered awesome shirts for SASQUAD, and watched the Trick or Treat Trivia in the bistro.

Lindsay Murphy, Associated Student Council Director of Emergency Services

I am pleased to report the food bank is running well. I have made it a weekly routine to visit the 2nd Harvest Food Bank at least once a week to restock the shelves. I have been taking advantage of the "Grocery Rescue Center" where I can purchase items for the food bank at a rate of .18\$ per lb. I have spent many hours this week working with clubs on the food bank challenge food drive. I decorated the student government area with Halloween decorations to get people excited about the upcoming event, Family Fun night. Thursday I attended the smoking task force meeting entertained by Jason. Friday I meet with Kendu, D.J., Terri, Jorge and Don to discuss the progress of the food bank. The rest of the time I spend coordinating Thanksgiving baskets, Tree of Sharing and various food drives taking place on campus.

Jason Fierst, A.S.C. Senator of Athletics, Student & Instructional Services

My name is Jason Fierst and I am the Senator for Athletics, LRC and Student Services. This week I held our second smoking task force advisory meeting, met with Mike, worked to help our new senator Levi get setup and continued to help some of my clubs get ready for family fun night.

Levi Hanson, A.S.C. Senator of Arts & Sciences

This week I did the following: attended the SATF meeting, posted my office hours, contacted Dean Tomlinson to setup a meeting and tour, emailed my club advisors, setup my mailbox, met with Ali, met with Terri to come up with my lyrics for the ASG promo video, and arranged for my work study.

Charlotte Cochran-Anderson, A.S.C. Senator of Business, Hospitality & Information Technologies

Report was not submitted.

Mike Morris, A.S.C. Senator of Health & Environmental Science

For the week of October 21 thru October 28, I attended the Presidential Speaker Series Committee Dinner at Orlando's and Meet President Dunlop and Dr. Robert Sapolsky with whom I had a very nice dinner conversation. I made plans with Stevie, The Programmer of Participation Activities, to attend and help out with Halloween Family Fun Night tomorrow evening. Yesterday I got a quick tour of the food bank from Lindsey Murphy, The Director of Emergency Services, and attended both the Water Resources Club and the Nursing Club meetings. I also received my "Save Second Base" shirt from the X-Ray Vision Club (Thank You!!). Then today I briefly stopped by the Trick or Treat Trivia event in the Bistro, Which was awesome!

Brian Aiken, A.S.C. Senator of Technical Education

This week I attended the Car Club Meeting, I checked my emails regularly, and set up a meeting with all of the instructors in the automotive building to discuss budget requests. I passed out and reviewed the student help packets that Liz Sheehan made for us. I informed everyone in the automotive building of Family Fun Night. I

also attended the Career & Technical Education Advisory Committee Meeting with Mike Mires. And of course I documented my hours that are due Friday.

Alison Pau, Advisor, Associated Student Government

Hi my name is Alison Pau and I am the advisor of the Associated Student Council. Family Fun Night is this Thursday from 5:30-7. For those clubs who are planning on attending, make sure you've signed up with me and you've let my office know of any special needs. You can start setting up any time after 8am on Thursday. Just make sure you check in outside my office and look at where your booth is assigned. Thanks for much, in advance, for participating and making this a successful event.
